Dear Sir:

Applicant has received the Notice of Publication of Application in connection with the above-identified application. Applicant wishes to make the United States Patent and Trademark Office aware of an error in the title on the Notice of Publication. This filing is made in order to ensure the above-identified application is published with the correct title.

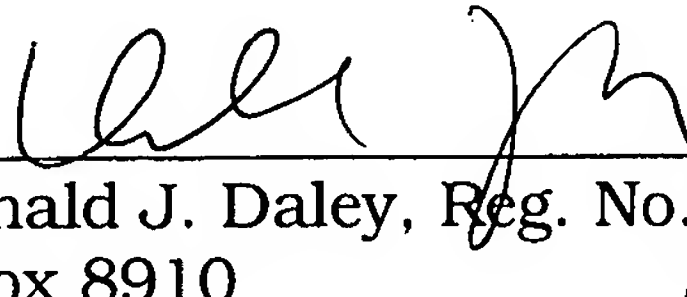

Though the title may have been pulled from the original PCT application, Applicant submits concurrently a Preliminary Amendment to formally correct the title of record to make it consistent with the title used in the Declaration and Specification and the title used in the original National Phase filing of the Application.

Applicant respectfully requests a reissuance of the Notice of Publication of Application with the correct title listed.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 08-0750 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17; particularly, extension of time fees.

Very truly yours,

HARNESS, DICKEY & PIERCE, PLC
